Lists last updated: 2nd May 2020

The list is based on the [average price](#) of a standard bottle (750ml). To be included in the list, a wine must have at least 5 offers spanning at least four vintages (two of which must have been in the last 10 years). Wine styles that are not typically released on a year-by-year basis are excluded from this rule - this includes Champagne, Madeira, Port, Vin Santo, Beerenauslese, Trockenbeerenauslese and Eiswein. Special bottlings - such as the [Penfolds Ampoule](#) - are also excluded from the list.

Information is drawn from our database of price lists, totaling wine offers.
