BARON PHILIPPE DE ROTHSCHILD CABERNET SAUVIGNON VALLE CENTRAL

Dense and deep with a violet tint, the wine has a very fruity nose that opens on cherry and bilberry with a discreet and delicate touch of raspberry, giving it an unusual twist and considerable aromatic complexity. Very round on the palate, its supple and smooth tannins meld with a range of flavours distinguished by lovely black cherry fruit and more exotic notes of chocolate and spice. The rich and flavoursome finish combines all the fullness of a generous grape with the characteristic power of the best terroirs of Chile's Central Valley.
