## TERRAZAS RESERVA CABERNET SAUVIGNON

980 metres / 3,200 feet above sea level.  
"Perdriel" Terrace.

### ESTATE GROWN

**Colour:** *Intense, dark fuchsia with luminous red glints.*

**Aroma:** *Stylish and generous notes of fresh currant confiture and ground cocoa, evolve into pleasant waves of loam, tobacco and cedar as the glass is swirled.*

**Palate:** *A plush red that overflows with dense, spicy Cabernet fruit and floral hints. Layers of earth-tinged plums and chocolate showcase a formidable texture of supple tannins with a strong grip, and a lingering finish.*

**Winemaking:** *For the gentle extraction of tannins, aromas and colour from the skins, we apply 4 delestages and 8 pumpovers during fermentation. The free-run wine is taken to 80% French, 20% American oak barrels; 1/3 new, 1/3 one-year old, 1/3 two-year old for twelve months before bottling.*
