Technical Data	Alc/Vol: 14,2%GL
Best Before	Can be stored from 1 to 10 years in right conditions.

### Tasting Notes

deep ruby colour whit violets hints, elegant whit a distinction character where the fruits such as blue and blackberries (coming from the Syrah) mingles with the cassis, blackpepper and tobacco, (coming from the cabernet sauvignon and carmenere) all the fruit rush sits strongly over a structural but softly delicate barrel support. Where the vainilla and chocolate hints integrated the mouse watering and juicy velvety fruity end. Long and clean finish

### Gastronomy

Recommended drinking temperature of 16-18°C. Ideal for red meat in general, with rich and well flavored dishes and even with some bittersweet preparations.
