MATILDA PLAINS CABERNET SHIRAZ

Note: This wine is for export only and not available for purchase within Australia. If you wish to purchase our wines overseas, please contact your nearest distributor.

These two very Australian red grape varieties Cabernet Sauvignon and Shiraz were the perfect choice for the base of this 2008 Matilda Plains red blend.

Matilda Plains Winery is located in Langhorne Creek South Australia where Cabernet and Shiraz have been traditionally grown for over 100 years.

This wine has been carefully blended to provide us with a generous and well balanced palate displaying mouth filling fruit, complementing soft well-integrated tannins and a lingering finish. The small addition of Merlot to the blend provides a soft and supple mouthfeel. This is enhanced by 10 months oak maturation.

The vintage 2008 Matilda Plains Cabernet Shiraz was fermented in Traditional open top fermenters allowing maximum extraction of colour and flavour. The wine had American oak maturation for 10 months prior to blending and bottling.

CELLARING

Juicy approachable tannins make this wine soft yet mouth filling enough to drink now or reward with cellaring 3+ years.

SERVE

A terrific food wine, great for every occasion.
