

# TATTY RD

In keeping with our third generation family philosophy of only producing rare and unique wines from South Australia - we bring you our Tatty Road range of wines, named after our first and oldest vineyard on Tatachilla Road.

Our family fondly refers to our vineyard on Tatachilla Road as Tatty Road and hence we thought a street sign for our label was a unique way to represent our wine.

**Colour:** Ruby brick red with black hue

**Aroma:** Blackberries, mulberries & chocolate with hints of cloves, red spices and mocha oak.

**Palate:** Rich and intense dark fruits fill the entire palate.

Wonderful natural sweetness with savoury oak and soft velvety tannins see this wine finish as all should; you scrambling for another glass!

Cheers!
