## ***Vina Los Boldos Momentos Carmenere 2010***

**Beautiful Chilean Carmenere. Rich, spicy and well rounded. Try something different.**

Medium bodied with deep ruby red with purple lights and enticing aromas of black fruits, a hint of paprika spice and chocolate. On the palate, flavours of blackberry, dark chocolate and spice are combined in perfect balance. The finish is long and complex, with smooth, ripe tannins.

Chile's own signature varietal, incredible deep, dark purple this grape needs a lengthy growing season. This unique varietal was planted extensively in Bordeaux until disappearing in the late 19th century. Deep ruby colour, rich bodied, softly textured with dark berry fruit characters.
