About the Wine

Tasting Notes

Deep, impressive ruby-red colour, which suggests concentrated grapes harvested at the right moment. Its nose is governed by pleasant notes of plum, raspberry and sweet spices, while on the palate chocolate and subtle hints of vanilla can be appreciated. A very structured, balanced, long and elegant Cabernet Sauvignon.

This wine is a great option to accompany burgers, grilled meats and chorizo. It also goes great with strong cheeses, lamb, hearty stews and pasta, beef – strong, marinated or barbequed – poultry, and highly seasoned sauces.

12.5% Alcohol. Screwcap. Carbon Neutral. Slight Wood ageing.

This Cabernet Sauvignon is made from one of Chile's most awarded wineries. Very approachable and easy drinking it immediately displays rich concentrated blackcurrant flavours. Well balanced it has a long finish.
