#### 2009 Moura Basto Reserva

*Degustação de azeites. Jantar em 09/03/2013.*

Moura Basto originates from the Douro Region where Touriga Nacional is one of the most popular varieties. It yields inky, full-bodied wines with exceptional aromas and is considered one of Portugal's finest grapes. The grapes are totally destemmed with long skin maceration before alcoholic fermentation at 82°F.
