Domaine Vigneau Chevreau Vouvray Sec Silex 2012

£14.00

Description

100% Chenin Blanc and Biodynamic. 'One of the very best dry Vouvrais I've ever tasted... This Vouvray has quality in spades. Its smoky, tart, floral, grapey, finesse makes it a pperfect summer's day aperitif.' Jane Macquitty, The Times. This would be a great match for chicken dishes cooked in creamy, white sauces.

Winemaker's Notes

Pale straw color. Apple compote and cinnamon aromas are accented by distinct stony, mineral notes. Generous apple-pear Chenin flavors delivered in a texturally intriguing, tongue-gripping, medium-weight white. The vintage's bright acidity is balanced by just the right amount of residual sugar in this classic Sec-Tendre. Long, lingering, slightly mineral finish.
