

ALTOS DEL PLATA MALBEC 2011

MENDOZA - 1,067 METERS / 3,500 FEET ABOVE SEA LEVEL

The Genuine Malbec

VINTAGE NOTES

As it rarely happens in Mendoza, this vintage was complex but really satisfactory in terms of quality. We had to make several adjustments after a widely dispersed frost during spring and summer rains, shifting into a sunny and extended autumn. This vintage proved that the best can also come from adversity.

TASTING NOTES

Young, vibrant and balanced, this deep red wine with purplish shades boasts ripe red fruits such as raspberry, blackberry and plum. A fresh floral profile of lavender and spicy peppery notes testify as to the wild aspect of the variety. A very expressive and pleasant wine.
