Chateau Pajzos Late Harvest Hárslevelű

Late Harvest

These wines are made from partly botrytised bunches and are named according to their grape variety. F

urmint, Muscat, Hárslevelű. With little or even no maturing in barrel, these products keep a lot of freshness and a high acidity, while having more or less residual sugar.

These wines are good: Apéritif, foie gras, poultry with fruit, cheese-cake, apple pie, white fruit charlotte.

Prova da safra 2010. Jantar harmonizado na Adega André Porto em 26/04/2014.
