### **Costers del Priorat**

<http://www.costersdelpriorat.com>

In this cellar, the grape clusters are manually selected and each vineyard is vinified separately in small tanks. In the region, this is called 'Clos', that is, wine obtained from the grape clusters from a single vineyard.

With a minimum aging time of 18 months in French oak barrels, the wine of Costers del Priorat reach maturity and are bottled to then await the last step, refinement in bottle.

*Safra 2012. Vegetal amb pernil dolçe. Almoço "Fast Vinic" em 06/10/2014, Barcelona.*
