

2011 ART 'N' SOUL SHIRAZ GRENACHE

Peter Lehmann built his winery by defying accepted wisdom, courting near misses and narrow scrapes, and never shirking the opportunity to challenge the norm. The same values exist today with our winemakers treating every wine as a blank canvas and their "palette" consists of fruit from more than 140 growers. These wines are made to capture the colour and fun experienced as Peter Lehmann lived his dream, with all his 'art and soul'.

Shiraz and Grenache make perfect wine partners – blended together they each bring varietal qualities which create a deliciously enjoyable wine perfect for drinking when young. The lifted aromatic flavours of Grenache gives the richness of Shiraz a delightful softness and elegance, making it an affable classic Barossa blend.

Andrew Wigan, Chief Winemaker

Winemaker's note	A deep, vibrant red colour leads to a bouquet of dark red fruits and a touch of background aniseed—this a richly flavoured, fruit driven wine with great aromatics and a beautifully soft finish.
Vintage	Unusually mild cloudy weather has given rise to softly textured red wines with good varietal definition.
Vineyards	Old, established Shiraz (87%) and Grenache (13%) vineyards dotted throughout the Barossa.
Winemaking	The grapes were crushed and fermented on skins for 7 days before passing off. The wine was then clarified and prepared for bottling. This is an unoaked, fruit driven style ideal for early drinking.
Enjoy	The youthful freshness of this wine makes for perfect lunch-time drinking. Wonderful with Mediterranean style dishes such as pizza, pasta or chicken. Also good with a spicy barbecued sausage in fresh bread.
