Grape Variety

A **Bordeaux Blend**, at its most basic, is any combination of those grape varieties typically used to make the red wines of [Bordeaux](#). The phrase, which seems to have originated with British wine merchants in the 19th Century, relates as much to wines made from the blend as to the grape variety combination itself (© Copyright material, Wine-Searcher.com). Far from being an officially defined or legal term, it is almost never used for wine-labeling purposes (although it occasionally appears on back labels). Its equivalent in the United States is [Meritage](#), which is not only legally defined, but also a registered trademark...[more](#)

> [Bordeaux](#)

Bordeaux, in the south-west of France, needs little introduction to anyone with an interest in wine. One of the world's most prolific wine regions, it also manages to rank among the most famous and prestigious. The secrets of Bordeaux's wine success (other than magical [Bordeaux Blend](#)) are its three trump cards: diversity, quality and quantity.

The majority of Bordeaux wines are the dry, medium-bodied reds that made the region famous. The finest (and most expensive) of these come from the great chateaux of the [Medoc](#), particularly those in [Pauillac](#) and [Margaux](#), and from the "right bank" appellations [Saint-Emilion](#) and...[more](#)
