

Gomila Furmint Pinot Blanc 2015

Fruity and accessible, this wine has a crisp taste, with flavours of citrus fruit, apple and pear.

The Producer: p&f wineries

When you think of top wine-producing countries in Europe, Slovenia doesn't immediately jump to mind, but all that is about to change. The country shares borders with Italy and Austria and its fantastic white wines have much in common with its neighbours: freshness, elegance and purity of fruit flavour.

Production note

Careful handling of grapes and must. Controlled fermentation in stainless steel tanks at low temperatures.
