Chardonnay

The oak barrels confer this unique drink nobility the same way the entrapped body of an insect ennobles the precious amber. The oak flavour and the succulent fruit aroma blend harmoniously: subtle flavours induce the smell to guess the richness of fruits, while the crisp fresh taste fills your senses with surprising aromas.

Awarded the Gold Medal at the International Wine Contest "Vino Ljubljana" held under the Patronage of the International Office of Wine and Vine in Paris. Chardonnay Trei Hectare is a sublime wine which only improves with age.

Quality category: controlled appellation of origin, harvested at full ripe. Serving temperature: 10 -12 C degrees
Type: Dry
