TOHUN Rose of Cabernet Sauvignon, dry wine rose

The wine is made from hand-picked, ripe grape variety 'Cabernet Sauvignon' own vineyards located in the area of the Pomorie distance of 2-3 km from the cellar.

Sparkling, salmon color. Attractive nose of ripe red berries.

The taste is soft, very gentle, subtle and refined. The wine has a long and impressive finish, combining wonderfully with rich fruit nuances prevalent in the aroma.

The wine is available in bottles of 0.75l.
