## CORAZON DEL SOL

**2013 Malbec  
Gran Reserva**

This small production bottling is the top 12 barrels of the 2013 vintage from our estate vineyard blocks.

An ageworthy, single vineyard Malbec such as this is a rare wine to be found outside of Mendoza!

Planted in the ancient rock covered river beds of Los Sauces, Uco Valley - the 'Revana Vineyard' garners extremely low yields due to the arid climate and extreme terroir.
