

BOTTEGA SPUMANTI

**PROSECCO DOC DI CASA BOTTEGA CL 75**

Prosecco Doc Spumante Brut

Prosecco di Casa Bottega evokes the way poets, artists and art lovers raise their glasses to toast the joy of being alive and drink their beloved light, fragrant and aromatic sparkling wine.

CHARACTERISTICS

The grapes are generally picked from mid-September in the vineyards cultivated with the sylvoz growing system, which is typical of this zone. The grapes are pressed and then vinified in white, where the must is separated from the skins. The juice obtained is put in special steel containers, where it is fermented with the addition of selected yeasts. The second fermentation then starts according to the Charmat method, at a controlled temperature of 14° C in order to preserve the typical fragrances of the original grapes. During this period carbon dioxide is released naturally so that the wine becomes sparkling. The wine is then cold stabilized, filtered and bottled.
