Château La Tour Figeac 2012

Bordeaux - Saint-Emilion - Rouge - Détails

Parker : 92

J. Robinson : 15,5

Wine Advocate-Parker :

This is a real strong showing from this 35-acre estate located on the Pomerol/St.-Emilion border and planted with 80% Merlot and 20% Cabernet Franc. One of the best efforts I've tasted from them in recent years, the wine has an opaque purple color, a sweet nose of cassis, blueberries, black cherries, licorice and earth that follows through brilliantly on the palate with full body, beautiful texture, depth and impressive concentration and ripeness. Everything is in total balance in this beautiful St.-Emilion that should drink well for 12-15 or more years.
