

CIELO PRIMASOLE PRIMITIVO PUGLIA IGT

FAMIGLIA
Cielo
dal
1908

This beautiful red wine is made from Primitivo grapes, which are manually harvested. The fermentation takes place using selected yeasts at controlled temperature. The wine is then matured in steel tanks.

Notes of ripe plums, cherry jam and tobacco characterize the bouquet of this pure varietal Primitivo from the Apulia region, complemented by noticeable hints of cocoa, vanilla and coffee due to twelve months of aging in wooden casks. The Conte di Campiano Primitivo di Manduria Riserva is velvety and sumptuous on the palate, with a fine spiciness, full body, a little sweetness and nicely integrated tannins.

This ruby-red wine from Apulia is an ideal accompaniment to red meat and game as well as savoury starters.

PRODUCER

Cielo e Terra

Cielo e Terra was founded in 1908 by a several wine producers in Veneto. Their goal was to combine forces in production, sales and knowledge. Thanks to the huge supply of grapes, Cielo is able to keep the quality well and stable at friendly prices.
