

Le Rosé Gourmand de
MAISON BLANCHE

BORDEAUX ROSÉ

Carefully selected by Patrick Bouey, owner of Château Maison Blanche, with Nicolas Meylan, Estate Manager, this wine has been created with the same careful finesse and requirement that apply to all other cuvees and estates for the Bouey Family Vineyards and Châteaux, a signature that is of the highest quality and excellence.

GRAPE VARIETIES: Majority of Cabernet Franc, complemented with Merlot

WINEMAKING: A fine selection of some plots especially dedicated to Rosé wine. Slow and gradual direct pressing, limited contact with the skins for a clear and brilliant color. Aging in stainless steel vats.

TASTING NOTES: With its beautiful pale color with very light pink highlights this elegant and charming wine reveals notes of white flowers mixed with aromas of English candy and tangy red fruits such as currant and raspberry. Its mouth is greedy, round, fruity and is full of freshness.
