# White Mischief

Bottle Number: 591

The White Mischief is a 6-cultivar white blend made from selected grapes from Vrede en Lust's Elgin farm, Casey's Ridge. It showcases the cooler climate aromas of the cultivar, with focus on how they complement one another.

The name 'White Mischief' is literally derived from the winemakers who were playing around with the white wines from Elgin and creating this very unique white blend! The components of this blend may vary slightly from vintage to vintage but the same mischievous style will however be maintained. The 2015 White Mischief was awarded doubled gold at the 2016 National Wine Challenge.

A result of a winemaking and vineyard team working in a beautiful synergy was rewarded with the Mischief 2018 winning a Grand Cru and Best in its Class at the 2019 National Wine Challenge.
