MÁTÉ DOC SANT'ANTIMO CABERNET SAUVIGNON 2008

Made from 100% Cabernet Sauvignon, this big expressive wine spent twenty two months in one, two and three year old Allier oak. I love this wine. Like the 2007, it reminds me of a very good, top notch Napa Cab. A bright ruby colour, it offers up complex aromas of jammy red fruit, old saddle leather, cedar, macarons and vanilla. Big, brawny and full of zesty fruit when first opened, it settles down and mellows out after a couple of hours in the decanter. But it remains complex, balanced, long and very, very pleasing. Candace Máté says that she prefers the 2008 to the 2007. Those of our Members who have committed infanticide with the '07 are raving about it! Order some to see what all the fuss is about.

Prova na Vinícola Máté em Montalcino, promovida por Candace esposa de Ferenc Máté, em 13/09/2011 com a Turma da Toscana. Preço de tabela € 22,00
