BARON PHILIPPE DE ROTHSCHILD MERLOT VALLE CENTRAL 2006 MAIPO CHILE

The wine, an attractive deep red, vivid and clean, has a fully open, rich and opulent nose that reveals fresh and concentrated red fruit, cherry and blackberry aromas. With the round and lush fullness of ripe fruit, it expands on pleasant flavours of fresh fruit and juicy black cherry enfolded in a velvetsmooth tannic structure. The finish strikes a fine balance between structure and flavour, combining the generosity of the fruit with the grain of the tannins.
