CABERNET SAUVIGNON 2012

A very elegant Cabernet Sauvignon. On the palate it exhibits notes of pepper, leather, chocolate and smoke. A red purple colour wine, with a long finish and strong character.

Color This is a deep red burgundy colored wine.

Nose The nose is of red fruits like raspberries and wild strawberries. Some hints of black-pepper and cassis can also be found in the wine.

Mouth The mouth is sweet and filled with red fruit and some spiciness. It is a soft and delicate wine, with good structure and body but soft tannins. Very good balance between fruit and French oak.

It is ideal to accompany red meats and casseroles.
